From: Valerie Oakley, Project Manager, Lafayette Housing Authority

RE: Agreement between Lafayette Housing Consortium and YWCA of Greater Lafayette –Fresh Start Program Tenant Based Rental Assistance 2021-22

The YWCA of Greater Lafayette is utilizing HOME funds to provide tenant based rental assistance for participants on their Fresh Start Program. The Fresh Start Program provides 12 months of rent assistance to low-income victims of domestic violence, and their children, after they have exited the YWCA's domestic violence shelter. During this time, a YWCA-DVIPP case manager works with the participant. Fresh Start participants will have the option to seamlessly transfer onto a Housing Choice Voucher after the 12 months. This is an ongoing program.

This agreement is for the Program Year 2021 award of \$66,000 to serve 6 new participants. An impact of the COVID-19 pandemic has been that fewer participants are choosing to enter congregate housing and those that do, are staying longer while they search for separate housing units in the tight housing market. To accommodate this situation, the timeframe for use of funds under this agreement has been extended to 24 months.

Jacque Chosnek has reviewed and approved the document.

Please feel free to call me at 771-1309 with any questions.

Thank you.

Whereas, pursuant to a certain Agreement for Grant Administration dated September 19, 2017, by and between the City of Lafayette and Lafayette Housing Authority (“LHA”), LHA will serve as grant administrator for the Program; and

The Consortium agrees, upon submission of properly documented claims by LHA, as authorized by the Memorandum of Agreement, to disburse Program funds for program delivery and for rental assistance payments made directly to landlords on behalf of Grantee up to the maximum amount of the grant. Program funds shall be requested only when such funds are actually needed for the payment of eligible tenant based rental assistance and program delivery costs. All claims shall be submitted by LHA on or before February 28, 2024 on properly executed claim forms along with documentation requirements listed in Exhibit B. The disbursement of funds under the Program shall be contingent upon the receipt of funds by the Consortium from HUD.

The terms of this Agreement shall be in effect until the end of the period of assistance for all recipients or the date when the Grantee has drawn the final HOME payment for this project, whichever is later.

However, in the event that the project does generate program income, all program income generated by this project will be retained and utilized by the Grantee for use in other HOME eligible activities, but only after the written approval for such use.

V. PROJECT REQUIREMENTS

A. Applicability

The requirements of this section apply to all units, which are referred to as HOME-assisted units. Repayment to the Consortium of any HOME funds will be required if the HOME-assisted units do not meet the project requirements for any time during the affordability period.

B. Affordability

LHA will ensure affordability by monitoring the lease for the HOME-assisted units. The affordability period will be equal to the lease period. The level of assistance provided will be determined based on the same payment requirements used in LHA's Housing Choice Voucher Program. Assisted households will pay 30% of their adjusted gross income for rent and utility allowances. A copy of the policy that determines the amount to be paid by individual tenants for rent and utilities will be retained at LHA.

The payment standard for the level of rent paid will be equal to the Housing Choice Voucher Program's Voucher Payment Standard, not to exceed HOME Rents, as determined by HUD. Exception rents equal to 110% of the Fair Market Rents may be approved for up to 20% of the units leased under this program. All rent increases for any units under this program must be approved by LHA.

The standards for determining the number of bedrooms that a household is eligible to lease will be the same standards as currently used by LHA for the Housing Choice Voucher Program. A written copy of these standards shall be retained at LHA.

C. Property Standards

All units leased through this program must meet Housing Quality Standards (HQS) and all applicable local housing and building codes and zoning ordinances. The Grantee must inspect all units to determine if they meet HQS and maintain inspection records. The HQS inspection shall include a lead based paint visual assessment.

All recipients residing in units constructed before 1978 must receive a disclosure notice and a pamphlet describing lead based paint hazards. The landlord or property manager should prepare the disclosure notice. The tenant must sign a copy before they move into the unit. The Grantee must maintain a signed copy of this notice in the tenant's file.

If there is a child under age 6 residing in the unit, with an environmental intervention blood level as defined in 24 CFR Part 35.1225, all lead based paint requirements outlined in 24 CFR Part 35 M must be followed. The file should contain these documents: Disclosure Notice, Risk

Assessment Report, the Clearance Examination Report and the Lead Hazard Reduction Notice (if applicable).

The units leased under this program will be located in Lafayette, West Lafayette or within the five mile radius surrounding the cities. Income source documentation must be less than six months old at the time of income certification. Income must be recertified annually.

AFFIRMATIVE MARKETING POLICY

Policy Statement

The City of Lafayette has adopted an affirmative marketing goal for CDBG / HOME-assisted residential units to assure that individuals who might not normally apply to own or rent such properties because of their race, color, ethnicity, religion, age, sex, handicap, or familial status, know of the opportunities and feel welcome to apply for ownership or rental opportunities.

Procedures

1. Inform the Public, Potential Owners and/or Renters about Federal Fair Housing Laws and Affirmative Marketing Policies.

The City will require owners, developers, and sponsors of properties that contain CDBG / HOME-assisted housing units (hereinafter referred to as "Grantee") to implement the affirmative marketing goal of the City of Lafayette to assure that individuals who normally might not apply for CDBG / HOME-assisted units because of their race, color, ethnicity, religion, sex, handicap, or familial status: a) know of the availability of such units, b) feel welcome to apply, and c) have the opportunity to own and/or rent the units.

Agencies and Grantees using CDBG / HOME funds for housing acquisition, rehabilitation, or down payment assistance will inform the public and potential owners and/or renters of CDBG / HOME-assisted units by the use of the Equal Housing Opportunity logo or slogan in press releases, solicitations and written communications to all groups, and by posting the Equal Housing Opportunity logo in each project building or rental office.

2. Inform Public, Potential Owners and/or Renters about Available Units.

Legally binding agreements will require the Grantee to market CDBG / HOME-assisted units in an affirmative manner in order to attract renters or owners who might not normally apply to own or rent such properties, regardless of their race, color, ethnicity, religion, sex, handicap, or familial status.

While soliciting owners or renters, the Grantee shall conduct outreach efforts to reach persons least likely to apply for the housing. The solicitations and advertising shall include the Equal Housing Opportunity logo, slogan, or statement. The Fair Housing poster shall be displayed where visible to applicants. Locations or contacts for outreach include, but are not limited to:

- A. Social service agencies
- B. Neighborhood groups and associations
- C. Local media
- D. Community contacts (groups/organizations located within the housing market area)
- E. Newsletters for senior citizens, disability or other special needs groups
- F. Community centers
- G. Places of worship

Marketing Plan Submission

For all housing projects with five (5) or more HOME-assisted units, Grantee must submit a Marketing Plan in writing to the Lafayette Housing Authority for approval within sixty (60) days of the date of the executed contract and before the first draw is released. The Marketing Plan must include the following:

1. Methods for informing the public, owners and potential tenants about fair housing laws.
2. Description of what Grantee will do to affirmatively market housing assisted with HOME funds.
3. Identification of groups in the housing market area who are least likely to apply for the housing because of its location or other factors without special outreach.
4. Description of what Grantee will do to inform persons not likely to apply for housing without special outreach.

Record Keeping

To document implementation of the Affirmative Marketing Program activities, Grantees will meet the record-keeping requirements of 24 CFR 92.508(a)5(i) and (ii) and 92.351 concerning racial, ethnic, and gender characteristics, and maintain the following records:

1. Complete demographic characteristics of all applicants.
2. Grantee's written acknowledgement of fair housing notice and laws.
3. Record of contact with applicants.
4. Copies of notices to social service agencies, neighborhood and other groups specified above.
5. Copies of press releases, media coverage, mailings and other pertinent information.

Assessment and Corrective Action

The City will assess the affirmative marketing efforts for effectiveness using the following steps. If corrective action is necessary, the City will work closely with the Grantee until the issues are resolved.

1. To determine if good faith efforts have been made, the City will periodically compare the information contained in the records with actions taken to implement the affirmative marketing efforts.
2. To determine results, the City will examine whether persons from all racial and ethnic groups in the community either were aware of or applied for units that were affirmatively marketed.
3. The City may periodically perform ownership and/or tenant surveys to determine the source of referrals.
4. If it is determined that the Grantee has not affirmatively marketed the program, corrective actions may be required. These may include an initial conference to discuss required changes, possible disqualification from future participation in CDBG / HOME programs and/or legal action.
